

Patsy Supak

I started painting about 25 years ago with the help of teachers at the Brenham Fine Arts League. By taking lessons from local artists and workshops from well-known artists, I have learned to paint in oils, acrylics, watercolors and pastels.

I have an impressionist style and love painting Texas landscapes in oils, but also enjoy doing abstracts, still life and animals.

I am a member of the Brenham Fine Arts League, Lone Star Art Guild, Art of the Lakes and Brazos Valley Art Council. I helped organize the Downtown Art Gallery and have held offices on the board of both Brenham Fine Arts League and Downtown Art Gallery.

I have taught art classes at the art league for 15 years. Community activities included Cub Scout Leader, 4-H Leader, Washington County Fair Committee Chairman and Sunday School Teacher as I raised our three sons. Besides painting, we on a ranch with cattle, mules and a donkey. I enjoy trips with our Model A and T. Our biggest adventure was traveling 13,000 miles in a 1929 Model A from Brenham to Deadhorse, Alaska with our two dogs.
