See you there!

New Computer

Thank you Bruce Varley for taking care of getting us up to speed with a new computer. New WiFi internet service and our printer are now working well.

New WiFi Internet Service

There is a new wi fi number and password. We have placed that info on the white erase board. When you are working at DAG, please leave the cords plugged in to the power strip under the telephone at ALL TIMES. Unplugging results in us losing wifi connection and creates very serious problems with the credit card machine and the cash register.

Use your creativity on BFAL newsletter

I have been enjoyed compiling the information that has gone out to you each month through the BFAL Newsletter for the past 4 years. Prior to my service, the previous creator served 4 years. Might you like to contribute to your wonderful art club by publishing the newsletter for the next year beginning in January? I am happy to give you all the help you need to make that a fun and delightful contribution. Please tell Jane McKinley of your interest.- Bren Hardt

**Fall Change Out:
September 21**

DOWNTOWN ART GALLERY

A Member Owned LLC

Gallery members,

We have seen some wonderful artwork this summer at the gallery.

Fortunately most of us can do our creating inside where it's cooler! Big thanks go out to Patsy for overseeing the purchase of the new cash register and the installation of the new modem. Our summer spruce-up is now complete!

Artists, please remember that private work you accept through gallery visitors/contacts is subject to your gallery commission. Any artwork sold in the gallery is subject to gallery commission. Also, please do not remove other people's names from the calendar. A member recently checked her days and her name had been whited out and someone else's name was there.

The Downtown Art Gallery has participated in Book Nook's **Where's Waldo** event for the month of July. We have also donated a book on art techniques and a set of colored pencils to their gift draw. We always get a lot of foot traffic in the gallery during this event.

We're looking forward to seeing all of you at the next meeting, on August 17. Also our Fall changeout is coming soon —on September 21.

Regards,
Katherine Reyna
President, Downtown Art Gallery
